“ I am saddened to hear of Josh's passing. I have been trying to track him down off and on for the past year. I last saw him in about 1992 when he came to California and visited me. I always considered him one of my best friends. He was truly a kind and humble man. Great sense of humor. RIP, Until we meet again my friend.

“ *Every time we visited my sister-in-law's home, Josh always seemed to be able to come over and be company for us. He was funny, articulate and a pleasure to be around. He was always good company and we enjoyed eating out at the various places.in town with him. He was true to his brother and a good example of a decent person for others to emulate and learn from. Hopefully he is at peace and will not be forgotten for all he gave to others when in this life. God be with you, Josh. Thanks for having been a part of our lives.*

“ *I do not have words at the moment, I just found out about Josh's passing. He was one of the most genuine people I have ever known, who shared love through acts of kindness constantly. A man who loved his family, his friends, his ranch, rebuilding and driving classic cars. A hole is in my heart. Rest in Peace my brother. Greg and Tammy York*

“ Josh was such a good friend and neighbor, he helped us out so many times. This photo of Josh mowing the Whitaker estate for the umpteenth time along with him cruising in his classic Buick Centurion convertible. He was one of a kind!

“ I met Josh in 1977, he drove a beast of a car (think it was a Pontiac Catalina) which he drove to the creek behind my mother’s house, where we would fish & dip! Josh was very practical in his approach. We will miss him.
