“ We are so deeply sorry for your loss. We started taking our son to Josh for haircuts since he was 2 about 3 years ago and ever since, my husband and I enjoyed visiting with him each time. I am sincerely appreciative for how Josh treated my son each time. Conversating and joking with him was always fun to hear! He was always very welcoming towards us. We will miss seeing him every couple of weeks for sure! Prayers for you and your family. May God be with you during this very difficult time.

“ Heartfelt condolences for your loss. Josh was always such a joy every time I walked in with my son Matthew to get his hair cut in a “high tight”. Josh ALWAYS teased my son by complaining about how thick his hair was when his own hair was slowly thinning/receding. My boy would just laugh/giggle. Josh always did a perfect job, too...nothing less than perfection. We love him, and God loves him. He was not just our barber, but our trusted friend...and he will be missed so much. My son came home to visit recently (he joined the Navy and has been stationed in California for over six years) and stopped by there to get a haircut. You should have seen Josh’s face when he saw my son...Matthew went from about 5’11” @ 240 lbs to 6’4” @ 230 lbs. Josh was like...shocked as he looked up at him. It was priceless!!

Again, so sorry for loss. We cannot begin to imagine what you are going through...but we know it has to be extremely difficult and heart wrenching. May God watch over you and your family during your time of sorrow and give you strength to rely on him by way of family and friends through this difficult time.
