“ It's impossible to narrow down my favorite memory of you but I will hold the memories created during our last Christmas close to my heart forever. It was filled with so much fun and laughter and that is how I'll always remember you ❤️ It doesn't seem real that we have to let you go so soon but I know you'll never truly be gone from us. I see you every time I look in a mirror and see our shared blue eyes. I'd like to think I've also inherited your kindness, determination, and love of life. I'll never forget how you treated Pete like a grandson the moment you met him and I'll be forever grateful that you (finally 😊) got to see us be married. I'll miss you everyday Mammaw and I love you so much ❤️

Love, Kayla

“ *Seems like yesterday I would stop in your office at Farmer's LP Gas as a little girl. There are more of the Farmers group in heaven now than down here. I was blessed to be a part of the Farmer's family with you and then the Bar None Family. The greatest blessing is that we are part of a much larger Family and will all be together as God calls each home. I know you are at rest and peace. Our prayers are with the family.*
