“ *She was a strong, confident, inspirational, and wise woman. I fell in love with her as a young student. Later in my life, I worked with her as a teacher's aid. It was a wonderful experience. She taught me so much. I will never forget those life lessons. It's such a blessing to have known and worked with her. God bless her family during this time. May you find strength and joy in your memories of her. She will forever live in all our heart.*

“ *My daddy would take me to the little church in LC, the Cumberland Presbyterian Church , and Charles and Daneen would come with their beautiful Babygirl, Patrice. Charles was so handsome and both Daneen and Patrice were beautiful and dressed so immaculately. They made such an impression on my young self. Later , in the later seventies, I would get the privilege of working alongside of Daneen at LC . We share a beautiful granddaughter, Mikenzie Dean, whom we both love so much. I have such fond memories of a truly beautiful LADY. I will miss her!*

“ I met Daneen in August 1978. We were both teaching Second grade at Leverett’s Chapel. We instantly became best friends. My twins called her Aunt D. We spent a lot of time together over the years. She also said to the girls often “Not by blood but by Love” we will miss her soooo much. She was a awesome friend.
