“ *Dear Debi, Demise, Joe and family,*

My heart felt condolences for your profound loss of your precious Mom. Joyce was a lovely person and a wonderful friend. We played bridge every Thursday afternoon with Dorothy, and Betty or Rosemary at least 7 or 8 years She was the best player and kept up on all the rules of party bridge, As you know, I live across from her apartment. I can almost not bear to open my door in the morning and realize that she is not there. Joyce was Villas Program Director for 6 years and led water aerobics at that time. As with everything else she performed each job to perfection, We have not had so many fun activities since.

To say I miss her speaks so little of my loss and everyone's who knew your Mom.

*Peace and love,
