“ Prayers for her family during this difficult time. She was definitely one of a kind with a heart of gold. She was my mentor! She showed me the ropes starting out in my correctional career. She didn't put up with no crap but on the other hand would do anything for anyone and everyone that needed her to. She loved her boys and grandkids so very much. She used to talk all the time about them at work. She loved them all dearly. I have a lot of great memories to cherish of her! I used to love seeing her laugh so hard at one of my old co-workers as he was a goofball and loved to make her laugh. She would have tears rolling down her face. Loved it! She will be deeply missed but I am so happy she is up in heaven and at peace for eternity! Love you Joyce until we meet again!
