“ I am so sorry to hear about the death of my Aunt Midge. I only wish I could have been there for a final visit with her. She was always my favorite Aunt. She was so caring & one of the sweetest people I know. I love her dearly & I will miss her immensely. My only consolation is knowing that she is with Jesus and has no more pain and suffering. I love you, Aunt Midge.

“ Our Love and Prayers are with you all. A Mother like ours is more than a memory. She is a living presence....." Your Mother is always with you.... She's the whisper of the leaves as you walk down the street; she's the smell of bleach in your freshly laundered socks; she's the cool hand on your brow when you're not well. Your Mother lives inside your laughter. And she's crystallized in every tear drop. She's the place you came from, your first home; and she's the map you follow with every step you take. She's your first love and your first heartbreak, and nothing on earth can separate you.....Not time, not space... not even death!
