“ My heart is heavy. So many fond memories of Judy, she did my hair for several years, made the very best coconut pies at the Country Store and oh the laughs she gave me with her witty talks. When I needed uplifting I'd go to the store, have a piece of pie and have many laughs. Always left in a better mood. We had not had contact in many years, but I never forgot those years we shared. She definitely left good memories in my life.
