“ I got to know KJ through my daughter and Facebook. Even though we never had the opportunity to meet she was able to uplift our spirits numerous times over the years we were connected. I was very saddened to hear of her passing ...
Don't think of her as gone away-
her journey's just begun
life holds so many facets-
this earth is only one
Just think of her as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years
Think how she must be wishing
that we could know today
how nothing but our sadness
can really pass away
And think of her as living
in the hearts of those she touched...
for nothing loved is ever lost
and she was loved so much!

Had an unexpected trip through Henderson today. Stopped in to sign Karen' book. My sympathies for the family. Two of my favorite memories about Karen involved Home Economics class We were cooking partners and shared one of the kitchen areas. One day Karen was getting our pan out of the oven and caught the dish towels she was using on fire (instead of a pot holder). After some screaming we threw it in the sink and ran water over it. Another time we made Snickerdoodle cookies and they turned out huge. Ms Anthony asked us why were they so huge. Karen said "but this is Texas Ms Anthony...everything is bigger in Texas!" She was something else. Could always have a laugh when you were around her. Rest in peace Karen.

Heavenly Father,
I may not understand how
everything will work out, but I
trust you. I don't see a way, but I
know you will make a way. I have
faith at this very moment you are
touching hearts, opening doors,
and lining up the right breaks and
right opportunities. Things may
look dark and bleak now, but I have
faith that my dawn is coming.
In Jesus' name.

“ *Sympathy, condolences, prayer and love to the Lambeth family. Heavenly Father, it is my request and many of Karen's friends as well to give comfort and peace to the family. Help us to remember her as our sister in Christ and that being absent from this world that she is now in the loving arms of our Lord and Savior Jesus Christ. Our hearts and prayers reach out to Karen's children, and siblings; Kash Ray, Carl, and Karla and other immediate family members. Go rest high up on that mountain KJ. We'll be there to greet you in the Kingdom when He calls us home. You will be missed and thought of immensely.*

God Bless!

“ *I don't know what to say. I was so shocked & saddened by this news. I talked to her just last week, it had been awhile, so glad to hear from her. We mostly talked about my sister, Melanie Trolinder who died last June. They had been best friends in their youth for years. My sister died last June. She was 4 years younger than Karen Jo, the baby of the family & we still grieve for her everyday. Now this! Time waits for no one & we never know when ours will come so we need to live each day to the full like it will be our last & let our family & friends know we love them. I'm glad she was my sister's friend & they had great times together. Who knows, they may be laughing together again right now! I'd like to think so. My son also spent many a day in the past visiting her. We will miss her & Melanie so much & our hearts are with her family. Our hope is GOD & time will heal the hurt.-----Love, Sherry & Chance Runnels & the whole Hall family*
