“ I don't have words to express what my heart feels. I am so sorry for your loss! I loved Karen like a sister in our High School Years and have thought about her often though the years after. We always had so much fun with Kelly racing home on Saturday nights in the "hornet" to make curfew and always worrying we were going to run out of gas. Heaven truly has a new Angel. Karen has now seen the face of Jesus "I can only imagine"!!!! I love you all and will be praying for you daily.

“ *Kait, I never got to meet your mother, but from all the wonderful things you always mentioned, I know she was the most amazing mom & so much more than that to you. You know that I love you dearly, & you're basically like another sister to me, since you and Juli are almost attached at the hip. I'm always here if you need me, for whatever reason. Stay strong & hold onto God's love, comfort, & joy even in these times. Take heart through the struggle & keep your chin up. Love you, Kait*

“ Karen & I were best friends in the 80's and had reconnected on Facebook. She was truly an angel here on earth and now she is watching over all of us from above. Words cannot express how heavy my heart is right now. And my thoughts and prayers go out to all of her family and her animals because I know exactly what they all meant to her. It had been years since we had seen each other but we reconnected and picked up like we had never been apart. I will miss you, my friend, and I will NEVER forget you and I WILL see you again someday! May God bless and comfort each and every one of her family during this difficult time.....Love to you all and please know that you are in my prayers.....Sincerely,Patti Dudley Beall
