“ I met Karen in the fall of '88 when I started my first teaching job at West Rusk. I was fresh out of college, and scared to death. And I was so fortunate to have Karen as my mentor and co-worker. I'll always remember Karen's compassion for her students and her friends.

“ I was so sorry to read about Karen's passing. I went to high school and college with her. We spent the summer of 1980 at SFA at summer school. We were both living in the dorm and shared rides home. Unfortunately I'd lost touch with her. But my memories of her back then are of a truly sweet and talented woman. You are in my thoughts and prayers.
