“ To my Favorite Uncle Karl, I will always remember you pulling up to mom & dad's on your bike, every time I ran out there and asked for a ride, you'd say hop on kiddo! Always my Loving, easy going, big smiling uncle. I am so grateful to have gotten to see you 2 1/2 yrs ago when we sat at our backyard table laughing and telling old stories, and the great big hugs I got that day ! The Best thing I can say about you, that mom & dad have taught me is, People come into Our Lives for a reason and I know you were a Big part of who I am today ! I can't say enough good things about you, I will always miss you & you will always be in my heart forever !!! xoxoxo Love Always, Your niece Laura (Jim, Krystal, Katelyn & Kyle)

“ Our Dear Brother/Brother in Law, We will never forget all the good times we shared, many Wonderful memories growing up, raising our families and enjoying many happy times together. As we got older our lives took us in different directions, even though it could never take away the love we all had for each other. We are so grateful for the times we spent together in Texas on our vacations and the time we spent together at Laura & Jims 2 1/2 yrs ago telling all the old family stories, reminiscing like we use to do and laughing a lot !!! The Good times, Memories & Love we have for you brother will live with us forever, you will truly be missed , We Love You Always, Earl & Estelle

“ What a great Uncle who will be missed very much. Karl was influential in strengthening my relationship with God and for that I will forever be grateful. He was a free spirit in no matter what was happening around you both good or not so good he always had a way to make you smile. His unmistakable chuckle and rugged charm will always be remembered in our hearts and minds. Though life has a way of shaping us; and in time taking us all in opposite directions: we're grounded in that fact that through the loss of our loved ones we can take comfort in the knowledge that the love and memory we shared has a profound way of not only re-kindling those bonds as family and friends but causes us to take a moment to re-evaluate what is really important in our lives and that is those we love. Thank you, Karl, for being there for me through the years. You will always be very much alive in my heart. My deepest sympathy goes out to each and every family member in this time of loss.
