“ *Sue, you will always be within my heart and in the heart of those who love you and saying goodbye to you is breaking our hearts. You took on a world of hope, love and life when you joined this family 38 yrs ago. You helped to guide and direct the lives of so many kids and grandkids who looked to you for a word of advice, a hand to hold or just an ear to listen...you were always there. Words seem inadequate but the heart knows where real love lives. It lived in you for all of us. I'm going to miss not hearing your voice when I dial the phone, there's so much about you that I'm going to miss. Find peace, my sweet in the arms of Jesus rest until we meet again. I love you.*
