We became friends in Jr High and shared a lot of laughter and sweet conversations together. She was always so sweet and easy going. She came to our mini reunion last year and it was wonderful catching up with her. I have no doubt that she is in the arms of Jesus and seeing wonderful sights we cannot even imagine. Prayers for her family and friends at this time.*

“ I cannot remember a time in my life in Henderson Texas that sweet Kat was not in it. From church to T-Ball and neighbors across the street. Baseball tournaments and dance recitals. This precious soul filled our hearts with so much joy. My heart is heavy today remembering all of the wonderful memories we shared. Even after we moved to San Angelo Kat sent me sweet messages and texts. Always thinking of others. Classy, beautiful (inside and out) and Christ filled. This is how I will remember my sweet friend. I know that she is singing God's praises and dancing with the Angels. Loving on those gone before her. As she always loved on everyone. Thank you Lord for giving us such a beautiful soul to love and now miss.

“ Kathy was one of the first ladies I met in Henderson. She was working at the hair salon I went to at the time. She made me feel so welcome with her voice and smile. I will miss hearing her sweet voice! Thank you, Kathy, for your kindness! I will forever carry that with me.

“ I have known Kathy for most of my life. We grew up on Baker Street and our neighborhood was filled with kids that all played together. Kathy was always so sweet and always looked like a doll! As we grew older and had kids, Hogan and Sam hung out and played a lot of golf together. I love her whole family and I know this will be so hard on them. What a light she was...always smiling and making everyone feel happier just from being in her presence! My prayers are with all of you. That God gives you His Peace, and Grace. This will be a hard road to follow. Grief is proof that we love and were loved by the one who is gone. Much love and sympathy.

“ Kathy and I attended school together and spent fun times at her home with each other in our younger years. Her mother taught me in second grade. Our family seemed to follow their family by purchasing homes they sold, one on Baker Street and then my sister and her husband purchased the one on the corner of N. High that is now part of Calvary church grounds. There were many childhood memories cherished and fun times shared. Kathy was the sweetest and kindest person and always smiling such a beautiful warming smile the same as her sweet personality.

Many thoughts and prayers 🙏 for comfort.

“ *We've been friends since we were about 4 yrs old starting as neighbors. Our parents ran around together as our dads were in the Shriners mini patrol. I can remember mini patrol competition trips when Kathy and I would run around the hotel chasing boys whose dads were from other Shriner groups. We had a great childhood. When people met Kathy, they would ask if she was really that nice or was it fake. I'm here to tell you that she was authentically that nice. Her mom, Louise was the same way.*

I'm so sad that her life was cut short according to our earthly terms, but as far as Gods terms, she lived her life fully.

Prayers for Ricky, Tara, Tenlee, Hogan and family. There are tough days ahead, but God will carry you through them. Kathy and her sweet disposition will be missed.
