Kathy Ma will always remember all the good times we had. Keep a place in heaven for me and all my family. I will miss you. Rest assured that Ma will keep Danny, Jade and Nancy in my prayers. I know that would be what you would want me to do. Love you

“ *My deepest sorrow for Kathy loved ones...she was full of life, a free spirit, and loved everyone. She touched many lives. She is apart of my memories of everything we did in college and early adulthood. So wish I could hug her once more. May God wrap his arms around the family and help them find comfort during their journey without her.*

“ *Now abides faith, hope, and love, but the greatest of these is love... Kathy and I met at church working to spread the love of Jesus. Wherever or whatever she always shared that love. We will miss her smile, laughter, but most of all her love. She planted so many seeds. Guess we will water them, but we will all be together again for the harvest. Prayers and love to all her family.*

“ Good people and good neighbors are priceless. I will miss Kathy's friendly wave and smile whether she was coming or going by vehicle, golf cart, or horseback, she always extended a greeting.

“ *More than just neighbors... Some people never take the time to get to know the people that live next door to them, but not Kathy! She stepped out and took the lead in befriending everyone she met; always prepared to listen, offer words of encouragement, pray for you, provide a missing ingredient, feed a dog, loan a book, prepare a meal, create a special gift, volunteer Danny for tasks she wanted to help with but wasn't able to perform; the list goes on and on. She had a special way of lighting up a room with an elegant confidence (even when wearing a plaid flannel shirt and sweats, with her hair piled in a mess) that came from being a beautiful, optimistic, interesting and gifted woman of God. I will truly miss my friend, my neighbor! We send our love and deepest sympathy to you all, The Hudman's*
