

Mr. Kenneth Aggen

May 28, 1940 - December 11, 2024

Mr. Kenneth Aggen, 84, of the Stewart Community, passed from this life on December 11, 2024, in a Longview hospital. He was born May 28, 1940, in Blue Island, Illinois to the late Elmer and Elizabeth “Bessie” (Langeland) Aggen and has lived in Rusk County since 1968.

Mr. Aggen was a painter by trade and was an avid farmer. He raised catalpa trees and catawba worms and more onions than you could imagine. He definitely had a green thumb and enjoyed gardening. Kenny was a member of the antique tractor club and loved to go fishing.

In addition to his parents, he was preceded in death by his brother Marshall Aggen.

Survivors include his wife of 62 years, Grayce Aggen of the Stewart Community; sons, Todd Aggen and wife Angela of Henderson, Dale Aggen and wife Teresa of Colorado Springs, Colorado, Heath Aggen and wife Robin of Flint, and Chad Aggen of the Stewart Community; 10 grandchildren and 3 great-grandchildren with one more on the way; and a host of nieces, nephews, other family and friends.

A celebration of life service will be held at a later date.

Words of comfort may be shared with the family at www.crawfordacrim.com.

“ Ken was a good friend to me on the Allis Chalmers forum. I just found out about his passing and I am very sorry for the entire family. He was a good man, a great friend and a wonderful giving person. I miss his wit and humor and great knowledge on the forum. Again, my condolences to the family.

“ I've met Kenny several times and each and every time he had a
smile on his face. The time I lived in my RV on Joe's property I
looked forward to seeing him on his tractor working in the field. He
lived his life to the fullest. We all need to slow down and enjoy the
small things around us.
RIP Kenny. You will be missed.

“ I have lived in the house that Kenneth Aggen's daddy built , and the one he remodeled before I bought it going on 20 yrs ago and as his neighbor, I become to know one hard working man that loved his wife Ms Grayce, his family and the land he worked. Mr Aggen had a tough time with his health about the last 10 yrs and it always made my heart feel good when i would hear his tractor across the field and see him on it and through all his pain, there was always a smile. I could set here and peck all morning on this phone, sharing memories, good memories but i will close by saying thank you my God for placing me here because I finally have a place to call home and Kenneth, his loving Grayce, his sons Chad and Todd and also the other close neighbors helped turn this house into a home. Love you Ms Grayce and can't wait to hear that tractor come spring, with you behind the wheel.
