“ I have so many fond memories of you, sweet Kenneth. As children, you seem so mature in the mix of all us cousins. Always standing in the back of the room. Observing us, as we laugh and play. You'd snicker under your breath and oh how you loved to give advice, to set us straight!! You will be missed sweet cousin. But I know, right now you are running round in your new body hugging all our family that greeted you in heaven.

I love you.. and I look forward to my big heavenly hug as well!!

*your favorite cousin,
Janet Weatherly Harrison*
