“ *Kelsey and Michael,*

Wayne and I are so sorry for the loss of your father. Kenny has been such a wonderful friend to the two of us and we are going to miss him terribly.

Your Dad would stop by to check on us. If Wayne was working on a project, Kenny would jump right in and help him.

If it was a beautiful weekend, the two of them would take off on a motorcycle ride and disappear.

We will always remember the love that your Dad had for us, and the love that we had for him.

We love you both and will always be around if you need anything.

Love always, Wayne and Carol Stewart
