

Mr. Kenneth Davis

March 16, 1955 - July 18, 2024

Celebration of Life services for Kenneth Edward Davis, age 69, of Henderson, Texas, will be held at Bar None Cowboy Church in Tatum at 12 p.m. on Tuesday, July 23rd with Pastor Jason Taylor officiating. Family and close friends will gather at Kelly Davis' home following the services.

Kenneth died on July 18th, 2024 at home in Henderson, Texas. He was born on March 16, 1955 in Henderson, TX to the late Clara Lynn and Robert "Bobby" Lee Davis. Kenneth resided in Henderson, Texas his whole life. He was a member of Trinity Baptist Church in his youth, along with his sister Suzan and brother Larry. He worked for 14 years at Eastman and was the local "tree man" for 35 years. He was known for his love of the outdoors and was passionate about both coon hunting and fishing in his spare time. No one appreciated the loyalty of a good coon dog quite like him.

Kenneth was a loving father and proud grandfather. His favorite pastimes were spending time with his children, grandchildren, and dog Jack. If there was a good Western on, especially one with John Wayne, Kenneth was in front of the TV.

One quality Kenneth had in spades was empathy. No matter what someone struggled with, he was both a shoulder to lean on and an ear to listen. When Kenneth's sons struggled, he was there for them. He understood their pain

and had an innate awareness of what they needed to hear in order to ease their hearts. His big heart and forgiving nature meant that Kenneth had many friends in life. He was fully present in all moments of life, not scrolling through a phone or thinking of what is next.

Kenneth never met a stranger. He had a big personality and was a lot of fun. The many friends Kenneth made over the years are a testament to his loving kindness. His smile and laugh were infectious.

Kenneth Edward Davis was preceded in death by both of his parents, Clara Lynn Johnson Davis Schur and Robert "Bobby" Lee Davis, as well as his brothers Thomas Edward and Larry Kevin Davis.

Kenneth is survived by his loving canine companion Jack; one sister, Suzan Van-Leeson of Pasadena, TX; son, Kevin Lee Davis and wife Brandy of Henderson, TX; son, Christopher Bryan Davis and partner Candice Maddox of Henderson, TX; son, Kelly Alan Davis of Henderson, TX; grandchildren: Brittney Isaac Carroll, Kaylee Anna Arnold, Christopher Hunter Davis, Kennadi Faith Davis, Tanner Alan Davis, and Tessa Nicole Davis; best friend Billy Webster; as well as many nieces and nephews.

“ I have known Kenneth our entire lives and he was always so kind. We lost contact for many years, but about 2 years ago I saw him at the Davis Cemetary. It was like the years had never passed and we had a wonderful visit. I will always remember his smile and kindness!

“ I have many memories of Kenneth while Larry
and I were married. Larry loved Kenneth and
always wanted what was best for him. After
Larry passed away, Kenneth checked on me
often. He was so sweet to me and we often
ended up crying. Now my thoughts are about the reunion of the
family in Heaven, and how they must be together there. Suzan, I am
so sorry for your loss of your brother. I love you so much and my
prayers are for you and the rest of Kenneth's family. May God give
you His Peace and Love.

“ When Kelly and I were in high school, we were always together. We decided to go camping one night, and it was cold. I don't know what we were thinking. I think we just wanted to get away from everything for a night. Anyway, we were getting our plans together, and Kelly said, "I'm gonna see if my dad wants to come.". In my head, I was like, "there's no way your dad is going to go camping last minute in the freezing cold. I'm not even sure I want to, but I already said I would." 😂 but, he called him up, and without hesitation, he dropped his plans for the night and came and met us. I remember just sitting by the camp fire thinking how cool it was that his dad was here just listening to us be teenagers, talking about life in the freezing cold. He was mostly quiet, but I remember him giving us advice when he could tell we needed it. He was so nice, didn't judge us for anything. He just listened and hung out with us all night. That might have been the only time I met him. That just shows what kind of impact he had on people. I remember thinking that I wanted to be like he was with his kids when I have my own. My son isn't afraid to come to me with anything, and neither were his sons. I love you guys. Thank you, Kelly, for everything. You helped me so much back then, and your dad was a big part of that. You have his big heart. Praying for peace for you and your family.
