“ Will forever laugh at the thought of that Fourth of July when Trey (not me) accidentally lit the garbage bin on fire and melted it to the ground so you had to bury the plastic in the yard. Thanks for all the fun times (from wild nights at Electric Cowboy to chill dinners at your house) and accepting me so quickly when Z and I became friends. You'll be so missed, you already are!

“ You brought sunshine into my life so long ago. You became my third son when your uncle and I got together. I will always remember you as KJ and the best mechanic I know. I will always love you and miss you dearly. I know you're fishin in heaven with your dad and uncle Bubba. ❤️
