“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.

“ God knows that I wanted the best for my brother and I will definitely miss him tremendously. I will miss the conversations that we had on the phone every weekend about different topics, his children, his life, good and bad things what he was expecting if he ever passed away. Before he left, he asked me to promise him some things, and I am doing those promises. So God take you into the heavens Ken so that all of us that God wants we will all be reunited again.
