My precious baby. Daddy will always love you. You were so strong and you always had my back. Proud of your name, I never remember you signing your name other than full name. Even greeting cards you wrote Krystal Guin. So sick yourself, you always tried to help others. Most of the time unfortunately they took advantage of your generosity. God saw it all and now your body is whole, with a very special pair of angel wings. Daddy sure misses you, our late night chats and just laughing at silly stuff. I will see you soon. You will always be Daddy's baby!!!! I love you with all my heart.

“ Krystal was a sweet little girl! I can still see her as 4th grader! She was so mature for her age, taking care and making sure she ate the right foods. Rita you were such a wonderful mother, always there for her . God blessed me by allowing me to teach her. Prayers for peace and comfort during this difficult time.

“ With a heavy heart I send you my most sincere sympathy in this most hardest moment of your lives. May God give you the peace of heart today and every day while you have to go thru this time of separation from Krystal. I still can see her smile last time I talked to her and gave her that pink little piggy stuff animal. She is breathing freely now. God bless and keep in touch.

“ I celebrate Krystal! I had the privilege of getting to know Krystal for the three years she attended middle school. I was working in the clinic and saw Krystal daily. She had the biggest smile that lit up her whole face. I watched her grow from a shy sixth grader to a beautiful young lady! As she moved on through high school, we remained close. I would see her at Walmart with her mother and we would catch up on her latest news!

Rita, I know your heart is breaking today. You and your family are in my daily prayers as you travel this journey. Krystal will forever be a part of my heart.

“ *Perhaps they are not stars, but rather openings in heaven where the love of our lost ones pours through and shines down upon us to let us know that they are happy.*”

Rita, I know that you find comfort in knowing that Krystal's body is whole again but your heart is not now that she isn't here. I pray that you find comfort and peace as time passes. You are in my Prayers.
