“ Larry it's so hard to believe your gone. You will be greatly missed by so many..you were loved by so many. A friend to all that knew you. Bransen and Brannen will miss you. Who would of even thought on May 13th our last message to each other would be the last. A reminder we are not promised tomorrow. I will be sure while I am still here to tell Daniel about you and how you loved and asked about him all the time. Hug Kevin for me I can just imagine the reunion you had with him. Tell him momma misses him everyday. Tell mom and Dad I love them also.
