“ *He was and always will be my brother to me. He was my brother in law in all truths but I always thought of him as my brother with the most generous heart. He will be missed greatly but is now with Jesus in heaven looking down and being a new guardian angel to someone. As that was what he was in life. RIP Larry.*

“ *He was my uncle. He loved to tease me and joke around. I know he really cared about me and would always want to see me as much as he could when I'd come to town for a visit. He was a quiet man but strong and gentle at the same time. He will be greatly missed!*

“ I graduated from London HS with Larry in '64, and he was the most faithful of our class to attend the all-class reunions held every other March. I'm so glad that we had our 50th reunion in May and that Larry was able to attend. I loved Larry for his sweetness and his kindness. What a gentleman he was.

Larry graduated with my sister, Sara, a year behind me, so I have known him forever it seems. He was always the sweetest, kindest person and I am so blessed to have known him. May God comfort and give peace to his family and loved ones.
