“ Our loved ones leave behind spaces in the world that can never be filled. But they also leave behind love and light in each of us, sparks of joy and hope that live in our hearts and give us strength to our souls. May you find renewed strength with each new day.

“ I loved Laura from the moment I met her. She always brightened my day when she greeted me at the post office. She was a great hostess for visitors from other cities and towns. Laura loved her family.

“ *I was so shocked to hear about this. I met Laura at the Post Office many years ago and I honestly do not ever remember seeing her without a smile on her face. I also never remember talking to her without her asking how my family was and telling me about hers (to all the grandchildren ---- she was so proud of you!!!) I remember one time when I brought my 5 year old and newborn into the post office and Laura asked my 5 year old if the baby cried a lot and he said yes, all the time so every time since then Laura would ask me how is that crying baby? (that crying baby is now 8 by the way and Laura just asked me that same question about 3 weeks ago, the last time I saw her) Please know you all are being lifted up in prayer. I am so sorry for your loss.*

“ After my mom passed away, Laura stepped in and became a grandmother to my then 4-year-old son, and 8 months later, my new baby boy. Mr. Billy, Ms. Laura, Chantel, and Micheal became a HUGE part of our lives, and the boys LOVED to be with them. When Dave and I needed to go somewhere or wanted some much needed time alone, they were always there for us. My favorite times were when we teased Ms. Laura about "looking for her face on a milk carton" and she and Chantel calling us The Havrdunks in return. After moving away, we still stayed in touch as much as possible. The boys always wanted to go by the Post Office to visit with her when we were in town. Now that they are young adults, it has been harder to get them to Henderson, but she still means the world to us. We will miss her a ton!! Much love to Billy, Chantel, and Micheal. We are thinking of you and will be praying for you during this time!!

Love you all,

David, Channyce, Austin, and Travis Havrda

“ When my niece was away at college, I mailed her many packages and Laura processed a lot of them for me. When I entered the post office, she would say "Hi Aunt Winnie". She always had a sweet smile and made you feel good to see her. I missed seeing her at the post office after she retired. My deepest sympathy to her family.

“ I moved to Henderson, 12 yrs ago and did not really know but a handful of people, and through my job I had to go to the post office daily, and Ms Laura had a beautiful smile and a kind friendly word to everyone who ever walked thru the door. as the years went by i got to know her more and she love to talk about her daughter and how she would be going off to college, she was a sweet, loving , kind person. i had recently saw her and spoke with here for a few moments, and as usual her kindness was shining thru and she just loved life. My deepest sympathy to her family and Our Lord and Saviour has taken an Angel home. The temple of an angel has been laid to down to rest. Rest In Peace Ms. Laura, "oh child of God". Blessed are they that mourn, for they shall be comforted. You will be missed dearly.

“ *Laura was my first cousin, I have lots of memories of the Richardson hill house. Running about like Indians and getting into things we has no business in. It was fun. “ My kids and I also knew her as "Aunt Laura" even though we weren't technically kin but shared the same relatives. We loved swimming at her house and she would do things to "spoil" the boys and when I said something would tell me that it was HER house and she got to do stuff for them that SHE wanted. We loved her and wish our deepest sympathy to her family.
