“ I was just thinking about my friend Laura yesterday and decided to try to find her. I am saddened beyond words to find that she has passed from this life and into the arms of her savior. Laura was my best friend for a few years when we lived in McCamey. Her boys and my girls were best of friends and we spent so much time together. Laura was a true friend and the light of our lives. My prayers are with Greg and their boys. I'm just sitting here playing over all the wonderful times we had and all the things that happened to us. I will miss you my friend. I wish I could have seen you one last time. I know we had so many more stories to tell. LoveRobin

“ Greg and boys, I was truly saddened yesterday when I heard the news about Laura. I have such good memories of her working for me teaching our infants and toddlers in our Even Start program in Olney. She was so kind and caring to all the needs that the families had. Not only was she good to them, she was good to me. I cherished the relationship that we had as well. I know that words can not express the sadness that you must have, but knowing that she is in a better place with no pain will hopefully be a comfort to you.
