“ Remembering: As young girls while living on farms north of Nolanville, Texas. I would walk to your house (about 2 miles) to play. Had a set time and was to start home. We would get busy playing and had no idea the time. Aunt Ruby would finally tell me I needed to go home or I would be in trouble. No kidding. As I was trekking down that narrow wooded lane I would meet meet my dad coming to get me. Always walking!! All that property is now in Fort Hood. Any way we had fun playing.
