“ *As I sit here crying, I am remembering some fun and everlasting memories shared with Leigh. From our many years of twirling together, running around at Kilgore College, working together at Polar Bear Ashburns (hurrying to close up and clean up so we could get to the club in Longview). Many memories that I will cherish. I had not seen her in several years, but she had been on my mind a lot lately. Now I know why. Rest in peace sweet friend.*
