“ I just wanted Brandi, Joey and family to know I am praying for you all. I have not seen Lesa in awhile but I thought of her often and what a fighter she was. She wanted to stay with her family as long as the Lord would allow no matter what anyone else said. What an inspiration to all that are left here to grieve for her. Love to you all.

“ Although I have not seen Lesa in many years she held a special place in my heart. I remember her as the sweetest little girl in the world. I know she will be missed by many but especially by her her Mother. She will not be suffering and in pain anymore and we all have to be thankful for that. She has struggled for such a long time. I know she must smiling down on everyone and saying I hurt no more. All her family will be in my prayers for days to come. Joy Kennedy

“ Lesa will missed by the entire community. She was a blessing to all who knew her and loved everyone. Lesa was a beautiful lady, a godly woman, an awesome mother,wife and Grandmother, she loved her family as she did the lord with all her heart! I have a poem for the family i would love to share. To my dearest family, something i'd like to say. But first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here there's no more tears of sadness, Here is just eternal love.Please do not be unhappy because I'm out of sight.Remember I am weith you every morning, noon and night.That day I had to leave you when my life on earth was through.God picked me up and hugged me and he said, 'I welcome you.'It's good to have you back again, you were missed while you were gone.As for your deasest family, they'll be here later on.God gave me a list of things that he wisdhed for me to do.And foremost on that list was to watch and care for you.And when you lie in bed at night, the day's chorees put to flight.God and I are closest to you... in the middle of the night.When you think of my life on earth, and all those loving years.Because you are only human, they are bound to bring you tears.But do not be afraid to cry, it does relieve the pain.Remember there woild be no flowers, unless there was some rain. I wished that i could tell you, all that God has planned. If i were to tell you you wouldn't understand.But one thing is for certain, though my life on earth is o'er. I'm closer to you now, than I ever was before.There are many roads ahead of you and many hills to climb.But together we can do it by taking one day at a time.It was always my philosophy and I'd like it for you too.That as you give unto the wold, the world will give to you.If you can help somebody who's in sorrow and pain.Then you can say to God at night ... 'My day was not in vain"and now I am contented... that my life was worthwhile.Knowing as i passed along the way I made sombody smile.God say's 'So if you meet somebody who is sad and feeling low.Just lend a hand to pick them up, as on your way you go.When you are walking down the street with me on your mind.I'm walking in your footsteps only half a step behind.'And when it's time for you to go... from that body to be free.Remember you're not going... you're coming here to me.' I will never forget the heart to heart talks we shared on many occasions or the massive generosity, love and support shown by her, Joey, and Brandy during my greatest times of need.
