“ I grew up with Leslie and thought of her as my best friend from 2nd grade through high school. She even caught the bouquet at my wedding!

I have many fond memories of hanging out at her moms house during the summer!

Will miss you forever. Rest In Peace

“ I remember when Leslie moved back with her mom in highschool and several years later came back to Mt. Vernon. I still remember patiently waiting for her arrival that day!!! I looked up to my big sister and that was one of the best days of my life. I was one happy boy that day and that memory will be with me forever. I can still picture every moment. I will deeply miss you and Love you so much!!!! Your little brother Brett

“ I feel very fortunate to have shared so many laughs and to have created so many loving memories with Leslie. She was a generous and talented woman who was always willing to cook one of her "fancy" recipes or make one of her creative crafts. May the McAllister family find peace during this difficult time.

*With much love,
Amy McAllister*
