“ I am heartbroken over this news. I worked with Linda mainly at HHS, but we worked after hours for all the HHS Banquets, Syrup Festivals the night before rolling Cinnamon Rolls, Rolls and loaves of bread. We went on many Food Service Conventions and we took many classes together in the 70's, 80's and 90's, for our certifications and Continuing Education Courses. We were friends always. I had really loved going to see her at Autumn Leaves the last few weeks. I was hoping I could be a uplifting, prayer partner for her and an encouraging person to make her therapy a little easier for her. I guess God had other plans. She would of said I guess God had it all worked out another way. I know loosing Billy was so hard for you all, but a Mother's love has a lot depth of grief none of us know until we go through it personally. Together. Linda, Bill, Karen and Jody leaned on God to heal together as much as they could. The 3 will get through this loss of Linda, with God by their side in their hearts. I loved my friend.
Our deepest sympathies,
DAVID and KATHY CHAPMAN
