“ *So many memories. Always so gracious, with a ready smile and a warm hug. You never saw her frown. It was like she saw the good in everyone and she did her best to make you feel welcome in her presence. And when you heard her sing, it was like she was singing to Jesus himself. Truly a wonderful sight to behold. I haven't heard her sing in years, but I will never forget how it made me feel. Thank you for the wonderful memories, Aunt Linda. You will be missed, but I rejoice in knowing that I will get to hear you sing again in paradise :)*

“ Linda was truly an angel. She always had a encouraging word to say. She told Carlos about a dream she had about she seen him preaching under a tent wearing a pair of boots. That really happened. Another time is when her and buddy came to see her mama and he had fell on the floor and she called Carlos and Charles over and said call 911. Carlos said we don't need to we are 911. Lol. So Carlos me and Charles wrapped buddy in a sheet and slid him across the floor into the bedroom and put him to bed. Well Linda and her mama thought that was so funny. U will be sadly missed. Thank U for all the memories we had to share together

“ Linda was a wonderful Christian lady. She was a good friend of my Mother, Sally M. Hampton. She and Bro. Buddy were so faithful to visit my Mother in the Nursing Home. She was always smiling and kind. You all are in my prayers.

“ Wow. There are sooooo many of them. I don't remember a time in my life where Mama Linda or Papa Reneaux wasn't there during my childhood. There are a lot of things that I have forgotten over the years but her beautiful and loving personality isn't something that a person could ever forget. I used to spend nights with Kimberly quite often when I was growing up. But whether good or bad she never really got mad at us back then. Even if she didn't like the bathing suits we layed out in the sun with. She was always thoughtful and loving. I could call her anytime I needed to talk or got mad or upset about anything and she would always do her best to comfort me and make me feel better. She has always been such a rock for me and so many others I know. She always gave what she could and then some. It wasn't always material things. She would give you the shirt off her back if she knew you needed it. But she did so much more than just that. I have memories of her and Papa Reneaux that will last for the rest of my life. I grew up with Danny, Eric and Kimberly. Trust me. We had our problems. But it never was anything that we couldn't fix. With Mama Linda's help anyway. The reason I said it like that is because Papa Reneaux was more stern than Mama Linda was. Lol. But I will never forget all the good times that us kids had. She always made sure we were ready for church on Sunday mornings and anything else that might be going on. I love you Mama Linda and you will forever be in my thoughts. R.I.P.

“ Oh Lord , These tears are too many for me to count ! Yet I have many , many wonderful memories of my beautiful sister. One of my funniest memories of her was when I was living with her , I was 15 years old. We went to Dairy Queen and got ice cream then went to a little park. Well this man , WAY older than us came up and started flirting with her , I don't recall all that was said but when he finally walked off Linda said , and it was pronounced (Gylie Bum) did you see that big wart or bump beside his nose ! We laughed so hard and so long we almost wet on ourselves ! She always had the sweetest laugh, so contagious you just had to laugh with her. She will Always be so missed and loved by me . The very best sister, most trusted friend, and without ANY doubt, a TRUE saint of God ... Thank you my sister for ALL the love you NEVER failed to give . Rest with the Lord and laugh with ALL the angels.
Your Baby Sister. Evelyn
