“ My deepest heartfelt condolences to the family during this difficult time. Angela and I have been best friends since we were 4 years old. We were almost always together growing up, so Linda was like a second mom to me. Our families have a lot of wonderful memories of Lemley-Daugherty parties (as we called them). Many evenings were spent together laughing and playing games. We all thought so much of Linda. She will be greatly missed by many. ❤️

“ I graduated West Rusk High School with Linda, CLASS '67. Linda was the real thing, a friend to all as soon as she met them. It was a priviledge for her to be your friend. Always caring for the other person. Linda has gone on ahead, but have left many pieces of her heart here for everyone to remember. I will miss you my Friend. A yellow candle I lit for you....
