“ Logan was the sweetest most caring man. I work at the clinic where he saw his favorite Dr. He was always a joy when he would come into the office or when I would answer the phone and know it was him. He was always so polite and will be very missed. RIP my friend.

“ *When we were kids, we played cops and robbers in my mom's old station wagon. We had fun. I remember all the calls he made to me. He made sure to tell me he loved me when we signed off. Those were the last words we spoke to each other. I love you, Logan.*
