“ RIP Lonnie Traylor, also thanks for the heart to heart talk with me when I was a teenager on the value of a higher education to one's career. Also on the comical side Lonnie bet me \$20 when I was 16 years old that I couldn't chew a wad of cotton bowl twist and unload a truckload of hay bales Dad sold to a rancher in Arp and return. Well he won the bet and I was very ill, but never touched chewing tobacco again.
