“ *My memory of Lorece is every time I went to the doctor I would come by and check on her, and play with her cat, she always got a kick out of how she loved fighting with me. Lorece was like a second mom to me growing up, she always would bake me a coconut pie when they had a bake sale at church. I'm really going to miss her, she was great lady and I will never forget her.*

“ Lorece was our oldest sibling. She was a great daughter, Sister, Wife, Mother, Nanna, Fantastic Cook, Housekeeper but most of she was our Prayer warrior! We could count on her to stop what ever she was doing if we needed her to Pray about something. Lo

If she did not hear from us every few days she would call each and everyone of her siblings 2 or 3 times a week to make sure we were ok or just to tell us she loved us. Growing up she was a babysetter, housekeeper and funny story teller.

“ *Couldn't have found a more sweet and honest person as this beautiful woman right here!! She was such a great person inside and out! Whenever you would worry she would always tell me, don't worry about it and just give it to Jesus. Just pray about it. I will miss her so much!*
