“ I was privileged to work with Miss Lottie at CNB Mt. Enterprise for many years. She was dedicated, outspoken and a lot of fun. She always said "if you don't toot your own horn nobody else will"! Let me tell you she didn't toot her own horn but she always got the job done! Prayers for comfort for all the family.

“ *Lottie and I worked as a team in the early 70's when we both worked for the Farmers Home Administration. I was the supervisor, but she could run the office without me. She was an excellent business lady and practiced her Christian faith in dealing with individuals.*
