“ To the family and all who loved Lowell. I was deeply saddened to learn of Lowell's death and remain so now. I remember fondly our times together growing up and count him as the first truly thoughtful friend that I had. I am so sorry for your loss and pray that the Lord will bring you a measure of comfort. As many have already said know that he will be missed, with warm memories despite the great sadness that accompanies his passing.

Though I did not have the opportunity to know him as he grew up, I am sure he left a great impact on all the people that he came in contact with. Hold on to all those precious memories and good times. May God hold you in HIS arms and carry you through this difficult time. Barbara and Euel, you both are so special and have been "there" for me and my family for so many years. Your faith is so strong and you both are such an inspiration. “ Lowell was a bright and shining star in many lives, including mine. He was smart, funny and a great friend. He was also my first employer. I drove his red truck for him in the hay fields, the summer of 1976. What a wonderful person he was, and all of us who have known him at some point in our lives are all the better for it now. All my best wishes for his family and my deepest sympathy for your tremendous loss. Lee Ann Mostyn

Please allow me to say as a former classmate , that not only was he one of the cornerstones of the 1978 group, but that he was truly admired and highly regarded his peers. His smile would light up all those around him. . He was a gifted individual who will be missed. I pray God will envelop all of you with his comfort and guide you with his grace in the days ahead.
