“ I grew up in Calisle and knew Mabel all of my life. She was truly a beautiful lady always...inside and out. My parents thought so much of her too. I see her beauty carried on even to the age of 92. God Bless all of her family.

“ Family & Friends, Mabel was a delightful person. Not only was she kind and witty, but she aged beautifully and got prettier each year. Perhaps because of her personality. We go back to days of Dr. McShan's office when she could make me feel comfortable at each visit. Regardless of the reason, she would make a joke or an "um-huh" that would make me laugh. She was a warm, caring person who always remembered me by name. I can only hope to be like her, as I get older.
