“ I enjoyed working with Mamie and our visits when she brought cafeteria money to lock in the vault. We had so many conversations about our families. One year my dad was getting out of the hospital on Thanksgiving Day and I was rushing around getting dinner together and here comes Mamie with a delicious Italian cream cake. She was the most thoughtful person. I was out of town and I am so sorry I had to miss her service but I am sure it was beautiful like the person she was. All of you are in my prayers.

“ *David & Kathy Chapman lit a candle for Ms. Mamie.*

I worked for HISD under her management of the old and new High School. She made me cry everyday when I first went to work when I was 19 and just married a year. She rode me hard. The day I finally stood up for myself, she was on the phone calling Mrs. Bryan to get me moved to another campus. I'm glad to say I forgave her and after we both retired she and I talked a lot when she was in Autumn Leaves. My Mother was there getting therapy and she had a broken leg I believe. Anyway, I enjoyed many conversations with her. I had since run into on Friday's when Joyce Jones took her to get her nails done, etc... she started out my enemy and ended up a dear friend.

“ Mamie has shown me what true unconditional love is all about. One of my favorite memories :
Suzette was sick and not sleeping well, Mamie came over in the middle of the night to let me rest while she rocked Suzette. How many MNL's do that! She will be truly missed. I love her like she was my mother.
