“ I am so saddened by your loss and have had a flood of so many happy memories from going to school with Michael and spending so many nights at the Minton house. Mrs. Minton was so nice to me and treated me like one of her own. She never minded our pear fights on Montgomery street or other high school antics on Chicken Feather Road! I pray for your family to recover from this great loss.

“ I never met Mrs. Minton & only met her husband last December. However; her love of collecting antiques and Mr. Minton's generosity led them to give to me an old wooden coffee bin that came from my great grandfather's grocery store in Tyler circa. 1900. What a wonderful Christmas present it was for me; to now have a tangible connection to that ancestor. May God warmly receive her and give strength to her husband.
