“ Margaret will be greatly missed here in the Villas of Hollytree. She was a welcome sight walking the neighborhood and often in the workout room. We enjoyed pleasant visits and certainly now saddened by her passing. She was a fighter determined to move back into her home. She now enjoys an even better one! May God's blessings be on the entire family.

Sincerely,

“ I am very sorry to hear about the loss of Margaret. I have known her and worked with her for many years. I had not seen or heard from her since April, so I was very surprised to learn of her passing. I have always admired the straight forward way that she took care of her affairs and her determined independence. I will miss her. Your family is in my prayers.

Ms. Fletcher was one of my favorite teachers. I have wonderful memories of conversations with her. She will always be fondly remembered by many students.

I remember her love of A&M, and stories about her brothers. She was an awesome teacher, and one who earned our respect from the first day in her class. May she always be remembered with fondness. Janie Wilkins

“ *Ms. Fletcher spent part of her early career teaching 5th grade at Henderson. Our class was always so fond of her because of her youth and her style -- she was not like all of our other teachers. She attended three of our class reunions as a guest of the class of 1965 and always had something "to say" about us -- good or bad. Many fond memories are held by members of our class. We have posted the news of her death on our class system. . .she will be missed, and fondly remembered.*
