“ Gosh I loved this wonderful lady! I remember, we were talking, just the two of us. I said, "I don't know what I'll do when I lose my mom." She said, "You're gonna miss her," and then she said, "Oh I miss mine, even after all these years." I'm so glad I got to see her one last time. God Bless you Laneese, you made a difference.

“ *My condolences and love to Laneese’s family. I have fond memories of going to see her when my family would come to town to see Eva, who was my mother-in-law for many years. It was always fun to visit with Laneese. I also was able to visit with her at Eva’s funeral in 2016. She was such a beautiful lady with a beautiful spirit and personality. I know she will be missed.*

“ *Vickie and Family*

Mothers are special but yours was also a beautiful woman. A beautiful face that made me think, Movie Star material. My memory is staring at her before realizing I was getting close to impolite. In obituary, I was reminded of her sisters, your aunts--who inherited the same features. May sound superficial, but wanted you to know what I saw that children often don't. Am glad you had her a long time.
