“ Marguerite was our neighbor growing up. She was someone I could always count on. The times I was brought home sick from school and my mother wasn't home, all I had to do was knock on her door and she would take me in, put me to bed and make me something special like strawberry shortcake. She loved dogs. The one I grew up with was Toodles. Many fond memories there as well. Marguerite was very artistic. She created some wonderful oil paintings, portraits, ceramic paintings just to name a few. Marguerite will always live on in my heart and mind. She was an exceptionally wonderful person.
