“Marilyn was one of my greatest friends and an amazingly fierce soul. Her beautiful smile and easy laugh will always stay with me. I think of her so many times a day. She taught me to be true to myself and to make courageous decisions. Decisions I have used to change my life. She will always be our blessed Aunt Red. Her impact on our life will continue to be felt forever. Her impact is lasting.

“ Our hearts are sadden with the passing of Marilyn. I worked with her all the years she was at HMH, not in the same department. She was a joy to be around. So many stories that we shared. I know she will be missed by many people.
