“ Slim was my Field Superintendent and I was one of his engineers at Fina Oil and Chemical Company from 1984 until his retirement in 1995 (if I remember correctly). We had many phone conversations between Midland, Tx and Hobbs, NM as well as many miles driven to various well sites in West Texas and Southeastern New Mexico. Slim was a good man and enjoyable to work alongside. I considered him a friend. I deeply regret not looking him up after I retired and moved to Carthage, Tx in 2018. I had only recently learned he was living less than 30 miles away. My deepest condolences to Ms. Naomi and their three sons.

“ Farewell Slim, husband of my only sister, uncle of my children and a loving family brother in law, We will miss you terribly but will meet again when we go home to the Lord. You were there on the crazy trip to Yellowstone with six kids eating 100 pounds of campfire potatoes and was always willing to drive the boat while we skied all day! Too many memories to mention but it was lifetime of great fun times with our two families. I will certainly miss you but have the memories still. Your life was special to all your family, friends and co workers. We love very much!

“ Uncle Slim was my favorite and I always told him that. He always made me feel so special as his niece. I've had so many special times with him and Aunt Naomi since I was little. I am so sad. My "Stephanie" is lost. Love you my Aunt and Cousins.
