Now that you are each in good hands, it will not be nearly as hard to leave, for I shall be with your father and Our Heavenly Father. Bless you my children, raise our grandchildren to be as lovely as each of you are. Your father and I have been so fortunate to have you in our lives....carry on. We'll be watching and praying for you from above. "Oh be careful little feet where you go"...think of us when you see hills and cattle or when you hear music.... Bye Love, Mother.
