“ *Mark Beall was such an awesome man! He was all about his wife, kids, dad, and those grand babies of his. He talked about all his family and friends often! He was extremely hard working, one of the first at the shop and one of last to leave. He had a caring heart, compassionate, and just a good head on his shoulders. God knows where his heart was. And Mark knew who God was. And that alone, is comforting to know Mark is wrapped up in the hands of Jesus.*

I learn this about Mark just from working with him a few months. He will be dearly missed.

Thank you Mark for pushing me outside my comfort zone, helping me grow and for all the good talks we had and much much more! Miss you already.

“ *Sandy, I don't have any words of comfort, during you and your families time of loss. Mark was a good man and will be missed. We do have our memories that will never fade away. I will miss Mark and all the things that we enjoyed doing together. The waking up early to get the pit ready and prepare food was something I always looked forward to. Being on the back table shooting pool just enjoying the time we had. Most of all, I will miss the times that we all could slow down and sit around shooting the bull. This one time Mark and I was cooking for some event and he told me about his first impression of me, that he wasn't sure we would be friends, but he was glad that he didn't let that get in the way. I'm so thankful for that too. I love you and will be there for you.*

“ Mark will be missed by so many people. But he will never be forgotten, because he was a good man who would do anything for anybody. Sometimes his quietness spoke volumes and his smile could give a calm peacefulness to anyone. Sandy and Mark have touched my life, and for that I am very grateful.
