“ Our heartfelt condolences go out to Viola and her family. Mark's passing has left us in shock. I vividly recall the first time he warmly guided us around San Antonio for two whole days, helping us settle in after Jose's promotion. His kindness continued when he introduced us to Fredericksburg, where we met Viola, his beloved wife. Mark's devotion to Viola was truly remarkable. We cherish these memories dearly, and Jose often speaks of Mark's invaluable mentorship over the past eight years. You will be dearly missed, Mark Bradbury. Rest in peace.

With sympathy,
The Avila Family

“ Mark was an incredible person. He was as genuine as they come. One of the best. He was a mentor, a leader, and a friend. I learned so much from him and he always made each of us feel we were the best. I will miss him tremendously.

I recently met his wife, Viola. What a beautiful love they shared. My heart goes out to her and the family. And their dog, Winston.

Mark Bradbury....you will never be forgotten. You touched so many people in so many ways
