“ *Have many fond memories of my friend 'Eunice'...We worked together at Glenmore Aux. Hosp. in Calgary, and as we shared the same wicked sense of 'ha ha', our ability to see the humor in pretty much everything, got us through many 'situations'. Was happy to be able to continue the 'good times' with her and James at their home in Calgary and Texas. Continually marvelled and admired her steadfast and quiet strength, throughout... Martha was one of the good ones and I am proud to have known her and to have called her 'my friend'.....*

God bless you....'til we meet again...

Love, Denise

“ *Loved working with Martha years ago on the 11-7 shift at the hospital. She was always a pleasure to work with and had a great sense of humor, even though she had experienced such heartache. RIP Martha.*
